

Autism Experts Empowering
Families & Children Together

**Accepting New Clients
via Tele Health
during Shelter In Place**

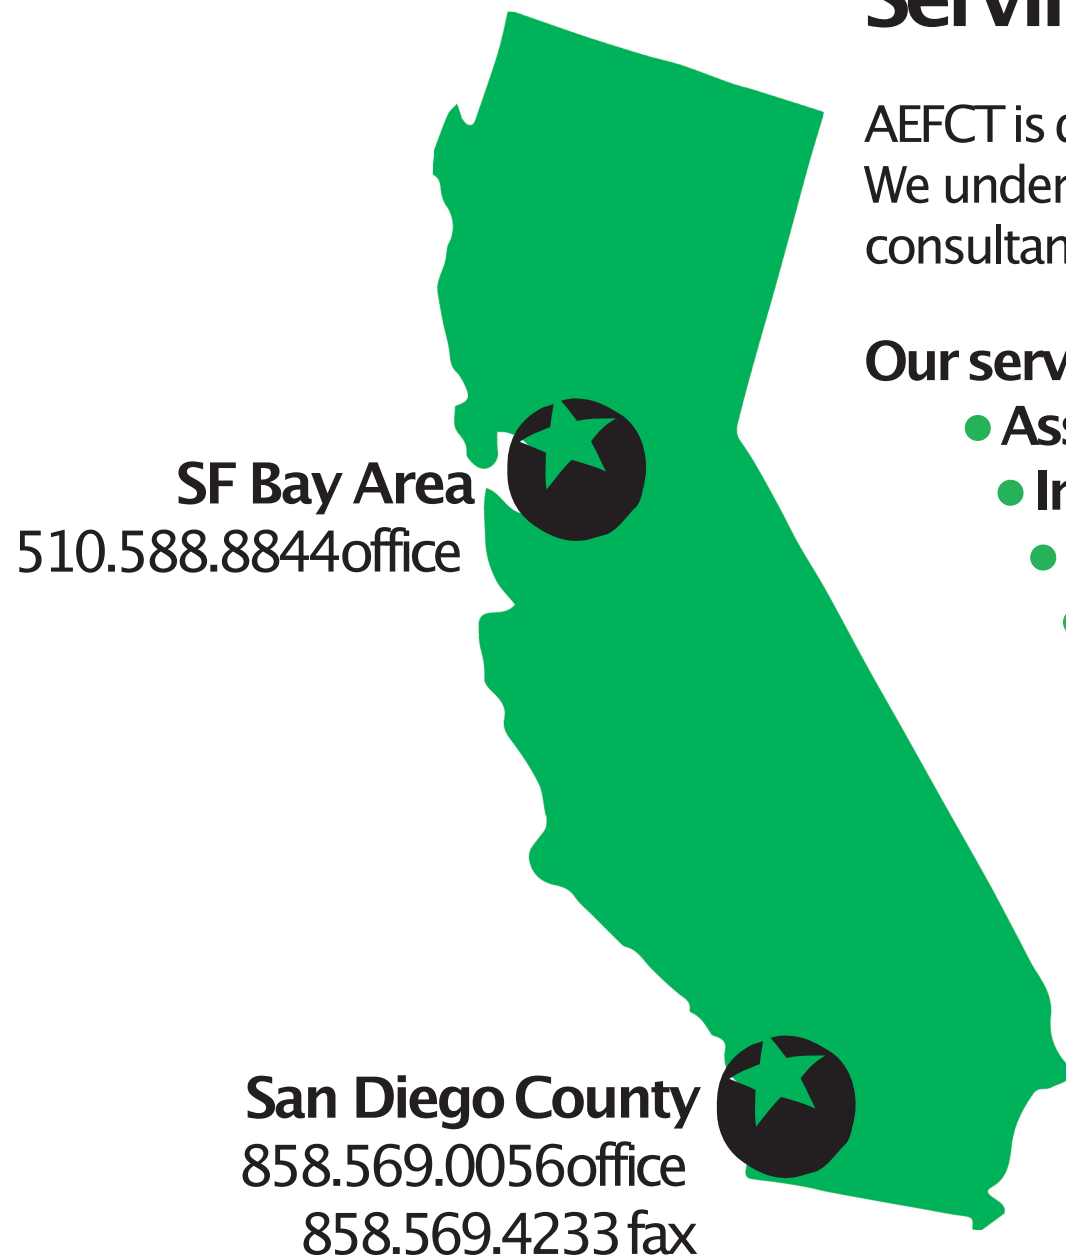

Serving San Diego County and the SF Bay Area since 2007

AEFCT is dedicated to putting the needs of your child first by providing customized one-on-one services. We understand how autism impacts the entire family unit and our team of specialized behavior consultants teach families the skills that are imperative to each child's success.

Our services include:

- Assessments
- Individualized ABA Programs
- Programs and Recommendations Based on Data and Empirical Evidence
- School Shadow Services
- BCBA Supervision
- Behavior Management Training
- School District Staff Training & Consultation
- Autism In-Service/Workshops
- Offering Saturday Appointments

We currently have openings for clients throughout the day. Contact either office to inquire whether your schedule fits with our immediate openings.
