

A.R.C.C. CENTER Foundation

ARCC Center is now offering in-home respite services in your area!

Now providing well trained in-home respite workers to provide care for persons of all ages with developmental disabilities. **We are a vendor with San Diego Regional Center.**

If you need help caring for your loved one that has special needs our caring Respite Workers can help in the following ways:

- Transport to therapy services
 - Provide support and assistance at home while you go on date nights, go shopping, catch up on housework, etc. .
 - Take them on outings
 - Encourage participation in sports, or other social activities or groups.
 - Assist in developing self-help and life skills
- And much more!
- All of our staff are background checked, CPR & 1st Aid Certified and trained in working with children that have special needs.
