

Behavior Frontiers

Innovative Training and Treatment for Autism Spectrum Disorders

WHAT WE DO

Behavior Frontiers provides solutions to help individuals with autism and other special needs reach their potential. Our state-of-the-art treatment programs are delivered by expertly trained compassionate clinicians using accurate and results-driven applied behavior analysis (ABA) methods.

WHY WE DO IT

Every Behavior Frontiers' applied behavior analysis treatment program is developed and implemented to help children with autism achieve their very best future and to improve their entire families' quality of life.

HOW WE DO IT

- We implement only current, accurate, and effective ABA methods
- We develop individualized treatment plans to meet your child's unique needs
- We provide extensive initial and on-going staff trainings to ensure that our clinical team has the skills and knowledge to help each child meet his/her goals
- We schedule frequent supervision
- We work collaboratively with families and other professionals

WHO WE ARE

We are Behavior Frontiers: Expanding possibilities for individuals with autism and other special needs since 2004
